VOLUNTEER WORK

Rotary Club Kalol Charitable Trust | December, 2015

Worked for Rajesh Hospital associated with Rotary Club. Conducted surveys for them to get information from nearby villages about their reaction on medical emergencies.

WORK EXPERIENCE

Python Developer and Back-end Engineer

WiseL | 2016 to 2018

Created a platform for schools, specifically for teachers, who has a lot of burden rather than just teaching. It provided functionality from marking attendance to sending grades to parents.

Software Development Intern

Punchit.io | May, 2017

Reformed their APIs and helped to migrate from python 2 to python 3. I have always been a person of contact for them whenever their server was malfunctioning.

Software Development Intern

Poshaq @ Thingsxthings | May, 2016

Worked on a part of algorithm that is going to suggest best combination of clothes from their inventory.

EDUCATION HISTORY
